

# EXTENSIONS OF REMARKS

## HONORING THE FIRST SHILOH HOUSING CORPORATION

**HON. BRIAN HIGGINS**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2014*

Mr. HIGGINS. Mr. Speaker, I rise today to recognize the First Shiloh Housing Corporation for its inspired and visionary role in the successful conversion of the Ellicott Mall Development to an impressive mixed-use neighborhood including patio homes, town houses, apartments and a senior citizens center. Today, we come together in a community celebration to reflect on how far this neighborhood has come, and embrace the bright future ahead.

Over twenty years ago, this area was an eight-tower, crime-ridden housing project in the heart of the City of Buffalo. Today, under the decades-long stewardship of the First Shiloh Baptist Church and its member-led Housing Corporation, this community exemplifies the good work happening to transform our hometown. From disinvestment to investment, from rundown to a return of residents filled with pride and optimism, its metamorphosis is truly remarkable.

We owe a special debt of gratitude to the unique public-private partnership that came together in the early 1990's to harness the power of the federal low-income housing credit program which provided the financial foundation that fueled overdue demolitions, renovated apartments and private residences guided by the spirit of the newly formed First Shiloh Housing Corporation.

The First Shiloh Housing project began laying this foundation in 1992 when the Church, along with Norstar Development and the city of Buffalo, took matters into their own hands through a development strategy that included the residents. Putting people first was the guiding principle of the first president of the First Shiloh Development Corporation, Clemmon H. Hodges, whose name now graces the community center.

With \$40 million of reconstruction completed in 1998, First Shiloh added management and maintenance to its services to assist the rebirth of the neighborhood, now known as Ellicott Town Center.

Today, surrounded by a downtown, water-front and growing medical campus, this neighborhood is attracting increased commercial attention as a once shuttered hospital is now undergoing a \$20 million renovation in close proximity to the Ellicott Town Center.

With a richly deserved sense of accomplishment and confidence in the future, I am honored to join together with the board of directors of First Shiloh Housing Corporation under the leadership of the Reverend Jonathan R. Staples and President Grace Tate for this well-deserved community celebration.

Mr. Speaker, I am proud to join with the residents, families, stakeholders and fellow of-

ficials to offer congratulations and deepest appreciation for the faith and fortitude of First Shiloh Baptist Church. Thank you for allowing me to share this success story as it begins its next chapter.

## ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES APPROPRIATIONS ACT, 2015

SPEECH OF

**HON. DAVID N. CICILLINE**

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 9, 2014*

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 4923) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2015, and for other purposes:

Mr. CICILLINE. Mr. Chair, yesterday I offered an Amendment to the Energy and Water Appropriations Bill that would support environmental infrastructure projects through the Army Corps of Engineers for financially distressed municipalities.

We require, quite rightly, water and sewage treatment plants to maintain federally mandated standards to keep our water supply safe and sustainable. About 72% of the population is served by sewage treatment plants, but 3.8 million of those people are served by facilities providing less than secondary treatment, which is a basic requirement by federal law. Often, the financial burden to meet these requirements falls on state and local governments. This can leave communities experiencing particular financial distress with outdated infrastructure and facing down huge costs to bring them in line with requirements. And this affects all of us, as aging wastewater management systems discharge billions of gallons of untreated sewage into U.S. surface waters each year.

The Army Corps of Engineers can provide invaluable assistance to financially strapped communities through its general construction fund, specifically for wastewater and water improvements.

The amendment I introduced would direct \$44 million through the general construction account to support environmental infrastructure programs for financially distressed municipalities, in the hopes that we can provide some support for some of the most pressing wastewater improvement projects in the country.

This same amount has been included for environmental infrastructure programs in the past, but no funding is included in this year's bill.

Federal assistance has not kept pace with the needs of wastewater treatment systems, despite the fact that authorities agree that

funding needs remain very high: The EPA estimates that the country will need to invest \$390 billion over the next 20 years to replace existing systems and build new ones to meet demand. Furthermore, they estimate that there will be a \$6 billion gap between current spending projections and need, if no changes are made.

These infrastructure projects are extremely important to many communities across the country, including in my own state of Rhode Island. Though I withdrew my amendment, I look forward to working with the chair and ranking member of the Energy and Water Appropriations Subcommittee to ensure that these vulnerable communities receive support to ensure that Americans across the country have access to clean, safe water and sewage systems.

## CONGRATULATING THE LEHIGHTON BAND FOR 150 SEASONS OF PERFORMANCES

**HON. LOU BARLETTA**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2014*

Mr. BARLETTA. Mr. Speaker, I rise to congratulate the Lehighon Band of Lehighon, Pennsylvania as the organization celebrates 150 seasons of performances.

Founded in 1864, the Lehighon Band has provided live music to the people of Carbon County and its surrounding communities for over a century. The Lehighon Band is comprised of approximately fifty members of the community with ages ranging from 16 to 80 years old. The group performs multiple concerts a year, including a spring concert to kick off each new season, a concert to celebrate Christmas, and several performances each summer in Weatherly and Lehighon that feature musical programs highlighting pieces from a variety of periods and styles. The Lehighon Band also makes itself available for performances at picnics, reunions, and other community engagements. Through the generosity and support of local professionals, businesses, and individuals with a strong love and appreciation for music and the arts, the band has continued to perform at no cost to the public, selflessly donating their time and talents for the enjoyment of others. I know that I speak on the behalf of the Carbon County community when I say that the Lehighon Band is a source of pride for not the residents, but also for the great Commonwealth of Pennsylvania.

Mr. Speaker, as they celebrate 150 seasons of performances, I would like to thank the Lehighon Band for their musical contributions and wish them many more successful years to come.

IN RECOGNITION OF 100TH ANNI-  
VERSARY OF UNION DAIRY IN  
FREEPORT, ILLINOIS

### HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2014*

Mrs. BUSTOS. Mr. Speaker, I rise today to recognize Union Dairy of Freeport, Illinois, on the occasion of their 100th Anniversary.

Union Dairy started as a partnership between Albert J. Hill and Conrad F. Kaiser who had been delivering milk to customers across town. They began producing ice cream in 1934. Many of their original flavors were created by their early employees, including Orange Pudding, which is still a favorite today.

Over the past 100 years, Union Dairy has excelled at providing good old fashioned American treats and delights to its loyal customers. They still offer classic ice cream soda, a traditional treat that you don't see every day. Over its history, Union Dairy has produced as much as one hundred thousand gallons of ice cream in a year, and sold as much as six hundred gallons of ice cream per week.

Today, Union Dairy, in addition to their long-established offerings, also prepares standard fare that is anything but. With a focus on local ingredients, they serve hamburgers ground fresh daily from a local family owned butcher shop and Freeport's own Mrs. Mikes potato chips.

Mr. Speaker, I again want to recognize Union Dairy on this notable event, and am glad that places like this exist, helping to bring smiles to faces of people throughout our community.

HONORING THE DEDICATED SERV-  
ICE OF LIEUTENANT GENERAL  
CHARLES R. "C.R." DAVIS

### HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2014*

Mr. MILLER of Florida. Mr. Speaker, I rise to recognize Lieutenant General Charles R. "C.R." Davis upon the occasion of his retirement after 35 years of honorable service to our great Nation in the United States Air Force.

A native of Spartanburg, South Carolina, General Davis' career in the Air Force began in 1979 after receiving his commission through the Air Force Academy. Throughout his decorated career and myriad assignments ranging from flying test aircraft to setting acquisition plans and policy, General Davis' commitment to service never wavered. As a testament to his dedication, General Davis was a distinguished graduate from every school he attended, as well as a First Assignment Instructor Pilot. As all great leaders do, General Davis led from the front by setting the example that others should follow.

In his final assignment as the Military Deputy to the Assistant Secretary of the Air Force for Acquisition, General Davis was responsible for the research and development, test, production, and modernization of all Air Force programs, an annual combined worth of \$40 billion. Other career highlights include Senior

Acquisition Executive for the Air Force, where he was responsible for the award of over 260 major contracts that directly preserved and enhanced over 250 mobility, fighter/attack, bomber, and other weapons systems and Commander, Air Armament Center and the Air Force Program Executive Officer for Weapons, Air Force Material Command at Eglin Air Force Base in my district, where he oversaw the development, acquisition, testing, deployment and sustainment of all air-delivered weapons.

Having flown over 3,400 hours in 53 different types of aircraft, General Davis has either been protecting our Nation's skies in fighter jets or ensuring that our Nation's skies remain protected by testing or procuring our Nation's latest technology. While he has had to make tough decisions to achieve cost savings, he also contributed to the Secretary of Defense's initiative to rebuild the acquisition workforce, resulting in 1,465 new positions. Whether instructor pilot, fighter pilot, test pilot, squadron commander, system program office director, wing commander, program executive officer, or center commander, General Davis always exemplified the Air Force core value of exuding excellence in everything he did.

Mr. Speaker, General Davis leaves a legacy of integrity, selfless service, and an excellence that is unparalleled. He consistently conducted himself in a professional manner, which brought great credit upon himself and the United States Air Force. His exemplary character and years of service has helped shape Air Force acquisitions, while ensuring the tip of the spear is always sharp and that our Nation's Air Force was equipped to remain the greatest in the world. Without question, he concludes a career of which he and his family can be very proud. On behalf of the entire United States Congress, it is a privilege to honor the career and service of Lieutenant General C.R. Davis. My wife Vicki and I congratulate him and wish him, his wife Susan, and their family all the best.

CONGRATULATING MARTHA  
HERRON ON HER RETIREMENT  
FROM PPL

### HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2014*

Mr. BARLETTA. Mr. Speaker, I rise to recognize and congratulate Martha Herron on the occasion of her retirement as Regional Director of the PPL Corporation. In her remarkable 47 year career with PPL, Ms. Herron has had a profound impact on both the company, and the greater Hazleton community through her assiduous service and leadership.

Initially unable to afford college, Ms. Herron worked at a textile factory and saved money so that she could enroll in business school, eventually earning a certificate that ultimately helped her get her first job in 1967 as a clerk at PPL, then known as the Pennsylvania Power and Light Co. Through hard work and dedication, she rose through the ranks to become the regional affairs director in 1995, a position she has held to this day.

When Ms. Herron began her career, she found a professional environment that was not sympathetic to females with few women avail-

able to serve as mentors. The decision to fill this void lead Ms. Herron to begin her legacy of helping other women develop professionally by providing the needed resources to foster growth and development. She challenged and successfully changed PPL's policy of requiring expecting mothers to resign and then reapply, and also served as a founding member of the PPL Women's Network, a group dedicated to assisting developing women in a competitive work environment in order to reach their highest potential.

As a result of her efforts, Ms. Herron received the Woman of the Year Award by Soptimist International, was named on the list of "Who's Who of American Women," and was recognized as one of Pennsylvania's "50 Best Women in Business." As well as helping women throughout the Hazleton area, Ms. Herron has volunteered countless hours and resources to multiple organizations such as the Community Area New Development Organization (CAN DO), the Greater Hazleton United Way, the Greater Hazleton Chamber of Commerce, and Volunteers of America. In her role with PPL, Ms. Herron has had the opportunity to work with colleagues throughout the 29 counties that PPL served. Through that exposure, she was able to bring back ideas and programs to Hazleton, creating groups such as Leadership Hazleton, an organization modeled after Leadership Wilkes-Barre and dedicated to training volunteers to serve area non-profits. I can personally attest to Ms. Herron's dedication to bettering Hazleton. During my time as mayor of Hazleton, Ms. Herron was always a willing and helpful resource to my office.

Mr. Speaker, on the occasion of her retirement, I commend Martha Herron for her years of service to PPL and to our community. I know that she looks forward to spending time with her family and friends, including her husband, Terrance, her son and his wife, Terry and Kelly, and her grandsons TJ and Jack. I thank her for all that she has done and continues to do for Northeastern Pennsylvania and wish her the best in her future endeavors.

### PERSONAL EXPLANATION

### HON. DONNA F. EDWARDS

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 10, 2014*

Ms. EDWARDS. Mr. Speaker, due to Maryland's Federal Primary Election day being Tuesday, June 24, 2014, I was absent from votes in the House, and instead in my Congressional District in Maryland. I, therefore, missed rollcall votes 341 and 350-354. Had I been present, I would have voted:

"Nay" on rollcall No. 341 (H. Res. 636, the rule providing for consideration of H.R. 6, the Domestic Prosperity and Global Freedom Act, and H.R. 3301, the North American Energy Infrastructure Act);

"Aye" on rollcall No. 350 (Pallone amendment);

"Aye" on rollcall No. 351 (Waxman amendment);

"Aye" on rollcall No. 352 (Welch amendment);

"Aye" on rollcall No. 353 (Motion to recommit H.R. 3301, the North American Energy Infrastructure Act); and
